**SWEET'S SUMMER CUPCAKES**

Summer officially starts Sunday and the season is about to get a whole lot yummier thanks to Sweet. The cupcakery has rolled out seasonal selections that are equal parts delicious and pretty. Think perfectly tart pink lemonade and buzz-worthy caramel macchiato. Our fave was the Red, White and You — a vanilla bean cake with berry jam in the middle. 49 Massachusetts Ave., Boston, and Zero Brattle St., Cambridge. \$3.25 per cupcake, \$36 a dozen.
