Cruise along the Charles

Taking a break from filming, **Tom Cruise** spent some quality time in Cambridge Saturday with wife **Katie Holmes**, daughter **Suri**, and mother-in-law **Kathy**. The Hollywood husband and wife relaxed with Katie's mom along the Charles River, occasionally playing peek-a-boo with the 3-year-old. Cruise, who's in town shooting a movie with director **James Mangold** and costar **Cameron Diaz**, was MIA when he stopped into Sweet in Harvard Square. With her mom and child, Holmes took a window seat for 45 minutes and sampled several flavors, including red velvet, caramel apple, s'mores, caramel, and chocolate.
